An unstoppable desire to EXCEL in everything we do!

NOVEMBER

EXPLORERS NEWSLETTER

Dear Explorer Families,

Welcome to all of our New & Returning Excel Families! We are so excited for this year, our theme is "Let's Glow Crazy" which is all about showing how each of us GLOW in our own way!

Thank you to all of our families who were able to make it to our very first peek week! We hope you enjoyed seeing your dancer shine on the dance floor!

We know how busy this time of year is, so we want to make sure you are aware of all the important dates listed below;
Measuring for costumes Nov. 2-7
No Classes Nov. 25-28

Coming up...

An unstoppable desire to EXCEL in everything we do!

PREPARING FOR CLASS

Please have your child use the bathroom BEFORE class starts!

All the Explorers staff are so excited to be teaching them new vocabulary each and every week! We love to teach in a way that sparks imagination and play that fosters a love of learning the art of dance!

This month we will introduce the barre into our classes. The children love this as it really makes them feel like a big kid! When we introduce the barre, we teach them to hold onto it with just the tips of our fingers and we stand up nice and tall. In both ballet and tap, we use the Al Gilbert curriculum and this helps us with learning how to follow directions!

We will also be introducing stage directions and an introduction on how to count music with rhythm sticks!

NOVEMBER

Our curriculum in November is all about what we want to be when we grow up! We explore careers in various fields like Food Service & Hospitality and Community Helpers!

We will be measuring the kids for their costumes the week of November 3 through the 8 . It is so important that we measure each child in a timely manner so that we can order the costumes promptly. If you know your child will be absent this week, please let your child's teacher know!

You will notice our tree going up a little early in November, as we would like to make sure we offer enough time for you to participate in our giving tree. This year, we will be asking for donations of any fleece material to help us make tie blankets for the Children's Hospital at Bronson. To ensure they are the right size for all ages of children, we are asking for fleece fabric that is 2 yards per layer (making a roughly 50" x 62" finished blanket after cutting the fringe).
