

# JUNIOR COMPANY

Junior Company is offered for dancers that are 8 (by Nov.1) and up to age 11 by placement. We are so excited to offer Junior Company for dancers that want to experience a team with a smaller commitment and gradual introduction to full company! These dancers will train hard at Excel and attend a convention with their teammates to learn from the very best instructors around the world. They perform locally in the community as well as travel to two events throughout the season. They also perform in at least 2-3 of our recitals at the end of the year.
