- Please note: a \$5 late fee will be added to your account if not paid/information updated by the 3rd. An additional \$5 late fee will be charged for each week following that the balance is not paid.
- **Tuition is paid each month (Sept-June)** unless a drop form is signed. Tuition is the same whether the month is 3, 4 or 5 weeks. They even out towards the end of the year, and we count rehearsals and recitals in June towards our time together to ensure our staff are paid for their time. June is therefore charged as a full month ☺

- A \$35 fee will be incurred for any returned checks
- Tuition must be paid in full in order to receive costumes or purchase recital tickets
- Note: If you are a member of XPression or XPression Prep, the additional tuition rates will be communicated individually
- Classes begin Tuesday, September 2, 2025!
