November Newsletter

2027 RECITAL DATE JUNE 14-19

NO PHONE/DEVICES NOVEMBER

We are encouraging any students with phones or devices to leave them in the cubby pockets at the front desk when they arrive and pick them up at the end of the night when they leave. During breaks, they will be encouraged to communicate and build relationships and friendships. When they pick up their phone or device at the end of the night, they will have an opportunity to also enter their name into a drawing to win a Starbucks gift card!

GIVING TREE

You will notice our tree going up a little early in November, as we would like to make sure we offer enough time if you would like to participate in our giving tree. This year, we will be asking for donations of any fleece material to help us make tie blankets for the Children's Hospital at Bronson. To ensure they are the right size for all ages of children, we are asking for fleece fabric that is 2 yards per layer (making a roughly 50" x 62" finished blanket after cutting the fringe).

MEASURING FOR COSTUMES

Friendly reminder that the week of Nov. 2nd-7th we will be measuring for costumes! Don't worry, we always give a little room for growth, but in order to ensure they arrive in time for picture day, we have to order over the next few months. While your dancers are being measured, they will be doing a fun and meaningful activity about the things they are thankful for this Holiday season.
